

During the six years he was there, he trained and supported more than 100 franchise offices. Gary ended his corporate career as the National Marketing Director.

While at the corporate office, they saw so many new franchise owners come for training, then go out, and run their own successful business. This led them to think, "Why not us?" In 2008, they both left their corporate jobs to open their franchise in Bowie.

Being native to the area, Laurel (Bowie High '81) and Gary were both very excited to bring the great cleaning systems of The Cleaning Authority to their neighbors and community. One of the things that drew them to opening a local office was the company's Detail-Clean Rotation System.

"We use a careful system to deep clean each area of the house on a rotating basis," Laurel said. "This ensures your home is always thoroughly cleaned, from the areas you use daily to that hard to clean grout! We also use our Professional House Cleaning Checklist to ensure that nothing is missed when your home is thoroughly cleaned."

The Cleaning Authority of Bowie also uses environmentally friendly cleaning products, so you can have peace of mind knowing that there are no harsh chemicals in your home harming your family or pets.

The Cox's relationship with The Cleaning Authority has truly been a family affair. In addition to their work at The Cleaning Authority Corporate office, their daughter, Ashley, also spent time working there as a phone representative in the Corporate Call Center while she was in college. Throughout the years, Ashley has also worked in her parent's office, and more recently, she joined the team as a partial owner in 2017.

A strength of the Cox's office continues to be their hard working and dependable staff. "More than a third of our staff — nearly 40 employees — have been with us for more than five years," Gary said. "In fact, three of our employees have been with us for more than nine years!"

The Cox family is extremely passionate about The Cleaning Authority and bringing a Detail-Clean to homes in the Bowie area. It's hard not to be excited about a clean home when you meet them. You can learn more about the Cox family and The Cleaning Authority at www.TheCleaningAuthority.com/Bowie.

"The team did such a nice job yesterday. I was delighted to see how clean even my laundry room was! I almost didn't know where I was when I stepped in there this morning. Thanks!" – Ann (Bowie)
